

2009 Edmonton Real Estate Show

Nicklin Property Management

April 25, 2009

On April 25, 2009, Nicklin Property Management & Investments, Inc. was invited to attend and present at the 2009 Edmonton Real Estate Show in Alberta, Canada. Being represented as the largest single family property management firm in the Las Vegas Valley, we presented powerful information to potential investor's about purchasing real estate here in the valley and subsequently having it professionally leased and managed. Many investors found our presentations very useful as they were informed about the current state of the rental market and what procedures are utilized by Nicklin to reduce the risk associated with leasing a property.

Due to the affordability of properties in the Las Vegas area, many investors from different countries are taking advantage of the market. Nicklin Property Management is proud to have been able to be invited to the 2009 Edmonton Real Estate Show and provide useful information for these investors.
